DR. PIERCE'S PLEASANT PELLETS

Cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation of the bowels, loss of appetite, coated tongue, sour stomach, windy belchings, "heartburn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels.

Persons subject to any of these troubles should never be without a vial of the "Pleasant Pellets" at hand. In proof of their superior excellence it can truthfully be said that they are always adopted as a household remedy after the first trial. Put up in glass vials, tightly corked, therefore always fresh and reliable.

One little "Pellet" is a laxative, two are cathartic. They regulate, invigorate and cleanse the liver, stomach and bowels. As a "dinner pill," to promote digestion, take one each day. To relieve the distress arising from overeating, nothing equals one of these little "Pellets." They're tiny, sugar-coated, anti-bilious granules, scarcely larger than mustard seeds.

WEAK WOMEN MADE STRONG, SICK WOMEN MADE WELL.

In those eight words is summed up the great work for women which is accomplished by Dr. Pierce's Favorite Prescription. The treatment and cure of many thousands of women suffering from chronic weaknesses and distressing ailments at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., led to the putting up of "Favorite Prescription" for home use in its present perfected form.

The record of the cures effected by this remedy is without a parallel. Thousands of testimonials received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for woman's peculiar ailments. So uniform are the results which follow the use of this remarkable remedy, that it can be truly affirmed of "Favorite Prescription" that *it always helps and almost always cures.* Ninety-eight per cent. of the women who give this medicine a fair and faithful trial are cured and remain cured.

IT IS A POWERFUL INVIGORATING TONIC, imparting health and strength in particular to the womb and its appendages. The local, womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "worn-out," "run-down" or debilitated, especially for women who work in store, office or school-room, who sit at the typewriter or sewing machine, or bear heavy household burdens, Doctor Pierce's Favorite Prescription will prove a priceless benefit because of its health-restoring and strength-giving power.

AS A SOOTHING AND STRENGTHENING NERVINE, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, or St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency. Even insanity, when dependent upon womb disease, is cured by it.

TREATING THE WRONG DISEASE.—Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality they are all only *symptoms* caused by some womb disease. The physician, ignorant of the *cause* of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause* would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said that "a disease known is half cured." In cases almost innumerable, after all other medicines had failed to help and doctors had said there was no cure possible, the use of Dr. Pierce's Favorite Prescription, supplemented when necessary by the medical advice and counsel of Dr. Pierce, has resulted in a perfect and permanent cure. The genuineness of these cures is attested not only by the entire disappearance of pain, but by a gain of flesh, a clear complexion and a cheerful disposition.

A SCIENTIFIC MEDICINE.—Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate organism. It is purely vegetable in its composition and perfectly harmless in its effects *in any condition of the system.* For morning sickness or nausea, due to pregnancy, weak stomach, indigestion, dyspepsia and kindred symptoms, its use will prove very beneficial.

CURES OBSTINATE CASES.—"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions and irregularities, prolapsus or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness of the ovaries, accompanied with "internal heat."

IN LEUCORRHEA, or "whites," the vagina should be thoroughly cleansed every night before retiring, by the free use of soap and water, injected with a rubber pump, or other female syringe, at as high a temperature as is comfortable. After thus cleansing the canal, dissolve one of

DR. PIERCE'S

Purifying and Strengthening Lotion Tablets

In a pint of hot water and use this solution as a final injection.

The cleansing antiseptic and tonic effects of this lotion are particularly beneficial and curative in obstinate and long standing cases. In prolapsus, or falling of the womb, do not fail to use this valuable aid to the treatment. If your dealer does not have DR. PIERCE'S LOTION TABLETS, mail 25 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and you will receive them by return post.

IF ULCERATION IS SUSPECTED, from the persistency of the discharge and its failure to yield, in due time, to the continued use of the "Favorite Prescription" and the "Purifying and Strengthening Lotion Tablets" solution, apply one of

DR. PIERCE'S

Antiseptic and Healing Suppositories,

Pressing the suppository well up against the mouth of the womb, first having cleansed the parts thoroughly with hot water and soap.

This application should be repeated every third night. The use of the Lotion Tablet solution may be omitted on nights when Suppositories are applied.

The "Antiseptic and Healing Suppositories" can do no harm in any case. They are a very efficient part of the treatment in all cases of ulceration about the mouth or neck of the womb. They are also a very useful part of the treatment in all cases of *prolapsus* or falling of the womb. They aid in toning up and strengthening the supports of the womb.

If your druggist or general store-keeper does not have them in stock, send 25 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive them by return post. Be *careful* to write VERY PLAINLY, your full name, post-office, County and State.

AS A REGULATOR OF THE "MONTHLY COURSES," and promoter of functional action at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"FAVORITE PRESCRIPTION," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Pleasant Pellets, cures Liver, Kidney and Bladder diseases. Their combined use also removes blood-taints and abolishes scrofulous humors from the system.

DR. PIERCE'S PLEASANT PELLETS should be used in connection with "Favorite Prescription" or "Golden Medical Discovery," whenever a laxative is required. The ingredients of other pills are liable to antagonize these medicines and so retard a cure.

DO YOU EXPECT TO

BECOME A MOTHER?

If so, then permit us to say that "Favorite Prescription" is indeed a true

"MOTHER'S FRIEND"

FOR IT

Makes Childbirth Easy

and almost painless, by preparing the system for parturition, thus assisting Nature, and shortening labor. The painful ordeal of childbirth is robbed of its terrors, and the dangers thereof greatly lessened, to both mother and child. The period of confinement is also greatly shortened, the mother strengthened and built up, and an abundant secretion of nourishment for the child promoted.

We have received the heartfelt praise of hundreds of mothers for the inestimable benefits thus conferred.

IN THREATENED MISCARRIAGE, or when it is feared from having before occurred, the "FAVORITE PRESCRIPTION," taken in small doses for a considerable time, will fortify the system against such a calamity.

IN MORNING SICKNESS, or nausea arising from pregnancy, the "Favorite Prescription" should be taken in doses of a teaspoonful three or four times a day. It will seldom fail to give complete relief.

NERVOUS DISEASES.—In all cases of nervous exhaustion, nervous prostration, or debility, **in either sex,** insomnia or inability to sleep, neuralgia, and spasms, or convulsions, the "Favorite Prescription" is invaluable.

In all protracted, or chronic, diseases, *perseverance* in the use of treatment is necessary, no matter how good the medicine employed. Do not expect entire relief from maladies that have existed for months in as many days. "Favorite Prescription" given a *fair* trial will *not* disappoint you.

TIME AND PERSEVERANCE REQUIRED.—Most chronic diseases are slow in their inception and development, and their cure must necessarily be gradual. Disease that has been progressing and becoming more firmly established for months, or perhaps years, cannot, except in rare cases, be hastily dislodged, and the system restored to perfect health. The process of cure, like the development and progress of the disease, must be a gradual one, accomplished step by step. Often, too, the use of medicine, that if *persisted* in, will prove beneficial and curative, will, for a considerable time.

arouse in the system very disagreeable sensations, and many times this leads unthinking persons to become frightened or discouraged, and to quit the treatment best adapted to their cases, if it only be faithfully persisted in.

DO NOT INEBRIATE.—Neither Dr. Pierce's Favorite Prescription nor "Golden Medical Discovery" contains any alcohol, whisky or other form of intoxicant. Nor does either contain any opium or other narcotic drug. Of no other medicines especially designed for woman's peculiar ailments can this be truthfully said. A very large percentage of alcohol is contained in all other so-called "female remedies." In the cure of woman's diseases the use of many bottles of medicine is often necessary, and when the medicine is alcoholic, and the system, through debility, is especially susceptible to its influence, it creates a craving demand for intoxicating stimulants often irresistible and dangerous to health.

FREE CONSULTATION.—An invitation is extended by Dr. Pierce to every sick and ailing woman to consult him by letter. There is absolutely no charge or fee for this consultation. Every letter is carefully considered, fully answered, and its statements held as strictly private and sacredly confidential. The escape which this offers from the disagreeable questionings, indelicate examinations and local treatments, generally so unnecessary and so offensive to the modest, sensitive woman, has led a vast army of ailing women to take the first step to health by opening a correspondence with Dr. Pierce. Write with perfect freedom. Every letter is given careful consideration and a fatherly, sympathic answer is returned.

$500 REWARD!

FOR WOMEN

WHO CANNOT BE CURED.

So uniformly successful has Dr. Pierce's Favorite Prescription proven in curing all forms of female weakness, prolapsus, or falling of womb, and leucorrhea, that after over a third of a century's experience in curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay $500 in cash for any case of these diseases which he cannot cure.

IT STANDS ALONE.—The "Favorite Prescription" stands alone, as the one and only remedy for these distressingly common forms of weakness, possessed of such positively specific curative properties as to warrant its makers in proposing, and binding themselves to forfeit, as we, the proprietors of that wonderful remedy hereby do, to pay the sum of $500 in legal money of the United States in any case of the above diseases in which, after a fair and reasonable trial of our treatment, it fails to cure. No other medicine for the cure of woman's peculiar ailments is backed by such a remarkable guarantee: No other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has such a record of cures on which to base such a remarkable offer.

RELIABLE DEALERS recommend "Favorite Prescription." With tricky ones, something else that pays them better will probably be urged upon you as "just as good." Perhaps it is for *them*, but it can't be for *you*. Some saving may be made by purchasing our medicines in half-dozen quantities.

If you are convinced that the "Favorite Prescription" is the medicine you need, do not be cajoled into accepting something else. The attempt to induce you to do so is an insult to your intelligence. Turn your back on the one who offers the affront.

OBNOXIOUS EXAMINATIONS.

The natural modesty of women leads them, often, to suffer in silence rather than to submit to a local examination from which womanly delicacy recoils. It is only in rare and aggravated cases of disease affecting the delicate womanly organization, that such an examination becomes necessary. Dr. Pierce's Favorite Prescription cures in the privacy of the home, without the necessity for obnoxious examinations. It acts directly on the special organism involved. Over ninety thousand women have testified in writing to its marvelous merits.

One Experience Among Many.

"Myself and friends have received many excellent benefits from Dr. Pierce's Favorite Prescription, and I am thankful for the robust health and fine appearance which I enjoy to-day," writes Mrs. H. D. Huston, of 410 South Broadway, Lexington, Ky. "Women who have suffered for years with trouble similar to mine, causing regular headaches at monthly periods, with systems dull and clogged, and digestion poor, will find ready relief in your fine remedy. Five bottles will cure stubborn cases which may be considered hopeless.

MRS. HUSTON.

"I introduce Dr. Pierce's Favorite Prescription as a blessing to sick and worn-out women. They can always rely upon it for a sure cure of diseases peculiar to their sex. Some friends have been cured of prolapsus and ovarian troubles and some have become happy mothers after using your medicine. It is a great favorite here. Life is beautiful when health is perfect and I ask all women who are sick to use Dr. Pierce's valuable remedy, the 'Favorite Prescription,' which will restore health and spirits."

fast and breast hurting so I could not breathe easily. Was so nervous at times that I did not know what to do. Got two bottles of Dr. Pierce's Favorite Prescription and one vial of his 'Pleasant Pellets' and have hardly been troubled since. Have recommended Dr. Pierce's medicines to my friends and advise them to try the same."

MISS WELSH.

"Really Wonderful."

"I am very pleased and happy with the results obtained from the use of your 'Favorite Prescription," writes Miss Edyth A. Welsh, of 1404 Forres Ave., St. Joseph, Mich. (Instructor of Elocution,) "I took it a few months for female trouble, from which I had suffered ever since fifteen years of age. Many prescriptions had been tried for my case, but all of no avail. Finally, as a last resort, I tried your medicine, and it was really wonderful how soon it helped me and relieved me of much suffering. I am now well and strong and in perfect health, and shall always speak a good word for your remedy."

Freed From Bondage.

"I had been a sufferer for over five years, growing worse as time went on, and could not seem to derive any benefit from the many remedies prescribed," writes Mrs. Nellie Johnson, of 636 2d Street, N. E., Washington, D. C. "A number of my friends desired that I should try Dr. Pierce's Favorite Prescription, and I finally did so with reluctance, but am glad to say that the results were all that could be desired. Two bottles lessened pains and depression to which I had become so accustomed that I thought no relief was possible, and after using the 'Favorite Prescription' for several months all pains disappeared and I felt like a slave freed from bondage. I became strong, lost that lassitude which had been ever with me, and in fact became a truly "new" woman. I consider the 'Favorite Prescription' a fine medicine for women and often take a dose or two now when I have been over-worked, and results are always satisfactory. Have great faith in this medicine and gladly recommend it to all suffering women."

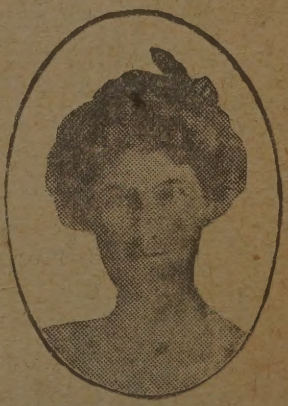
MRS. HENDERSON.

"If mothers who dread the baby's coming would take Dr. Pierce's Favorite Prescription they would find it a great help and benefit," writes Mrs. L. E. Henderson (President Milwaukee Woman's Literary Club), of 123 Grand Ave., Milwaukee, Wis. "After the birth of my first child I did not seem to regain my health, so began to take your medicine and in two weeks I felt stronger and able to be about, so kept taking it for two months and found at the end of that time I had completely regained my usual health. I also found that it was of benefit to take a few months prior to baby's advent; in fact, it is of great benefit in all forms of female weakness."

Soothes the Nerves.

"I have found Dr. Pierce's Favorite Prescription of inestimable value," writes Miss Ellen Alma Bryan (Treasurer Memphis Century Club), of 193 Vance Street, Memphis, Tenn. "As a tonic for over-wrought nerves, or when one is troubled with general lassitude and an irritable condition, hardly knowing what the trouble is. I was advised to use it by a number of our Club, and the effect on me was truly wonderful. Within two weeks I was like a new woman. I could eat and sleep as I had not been able to for months, my nerves became strong and the mental equilibrium was restored as well as the physical. Your medicine has my highest endorsement."



MISS BRYAN.

Used During Pregnancy.

"I cannot praise your medicine highly enough," writes Mrs. Jennie Hippenhamer, of Huntertown, Indiana. "I began taking Dr. Pierce's Favorite Prescription and took it steadily for six months. I was not once sick at stomach, never vomited once. Took the 'Favorite Prescription' three times a day and when in severe pain took an extra teaspoonful of medicine which checked the pain. I felt pleasant all the time and did not get nervous as I used to. When my baby girl came last August she was healthy. She is now eleven

months old. Am thirty-eight years old and never got through so easily in all my life. Why should women suffer when they can get through so easily? I am able to do quite a washing and ironing which I could not do for eight years before."

Promptly Relieved.

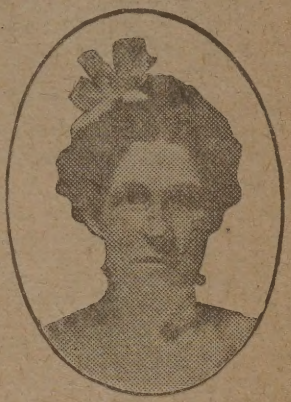
Miss Elizabeth Grosh, residing at 421 Massachusetts Ave., N. W., Washington, D. C., and a prominent member of the Young Peoples' Christian Endeavor Society, of Washington, writes: "Your 'Favorite Prescription' has proved a blessing in disguise to me, and after years of bad health and pain, has made almost a new woman of me.

MISS GROSH.

"When about fifteen years of age my troubles began in the way of pains, headaches, and dizziness. Our physician prescribed many different remedies but I gradually grew worse. After being sick this way for nearly three years your 'Favorite Prescription' was recommended to me, and I am certainly glad that I took it. The first bottle built me up wonderfully and I kept up the treatment for three months, the result being that it has made me well and strong and in perfect health. I have a reason to be and certainly am grateful to you."

Monthly Misery.

"For seven years I suffered such pains as only fall to the lot of woman," writes Miss Emily Endrell (President of Women's Sewing Circle), of 605 N. 18th St., Omaha, Nebr. "Every month I had to go to bed for a day or two, and the pain and misery I endured made me wish to die. Profuse periods simply made life a burden. In this misery I read one of your little booklets which a friend brought me, and I considered it a good omen and began to take your 'Favorite Prescription.' Next month the pains were much less, and kept gradually decreasing until the fifth month when I passed the period without a particle of pain. I thank you a thousand times for what your medicine has done for me."



MISS ENDRELL.

Took The First Step.

MRS. QUINN.

"I suffered for three years with ovarian trouble," writes Mrs. Anna Quinn (Treas'r Woman's Athletic Club), of 602 Sycamore Street, Milwaukee, Wis. "The treatment I took did not do me a particle of good, until a good neighbor who had been using Dr. Pierce's Favorite Prescription advised me to give it a trial. The next day took my first dose and it was the first step toward recovery. In nine weeks I was a different woman; my flesh which had been flabby became firm, complexion clear and my eyes bright. It was simply an indication of the great change within, from pain and suffering to health and happiness. I am indeed most grateful to you. I have advised a number of friends to use 'Favorite Prescription,' and hear nothing but praise from all who have used it."

Used on its Merits.

"I have never written you before, but have been a firm friend of yours for years," writes Miss Maria de la Bosanka (President French Benevolent Society), of 3739 Indiana Ave., Chicago, Ill. "In connection with our benevolent work we meet with suffering in the homes of the poor, caused by weakness and disease of mothers, many of whom have never had medical attendance in maternity, and are now torn, inflamed and suffering from ignorance, and alone. Your 'Favorite Prescription' has been a boon in dozens of cases where it brought health, new life and happiness to mothers, and sunshine in the home. I used it myself for painful periods several years ago, and as I was completely cured after using it for two months, I never lose an opportunity of praising it and recommending it to those in need of it."

MISS DE LA BOSANKA.

Escaped an Operation.

"I was cured of a fibroid tumor, by the use of your medicines," writes Mrs. P. W. Jorgensen, of Garwin, Iowa, L. Box 5. "Am able to do all of my work. Took 19 bottles of Dr. Pierce's Favorite Prescription. Cannot praise your medcine enough."

No Doctors Now.

MISS WILSON.

"It seems but just and fair to give credit to your 'Favorite Prescription' when I know it has restored me to such perfect health which I have not enjoyed for years before," writes Miss Yetta Wilson, President Daughters of Rebecca Lodge No. 329, of 211½ E. Chicago Avenue, Chicago, Ill. "Since Dr. Pierce's Favorite Prescription has come into our home we have had no doctors, nor have we needed them. Suffered with frequent backache, headache and dragging-down pains, spent much money with doctors and for medicine, but nothing helped me until I took your medicine. Five bottles cured me completely. This was two years ago, and I have not had an ache or pain since. I consider it a wonderful medicine, calculated to do all and more than it claims."

"Time Will Tell."

"Time will always tell whether a medicine is right or not," writes Mrs. Mary King, of 412 River St., Troy, N. Y., "and, after using several kinds of medicine for profuse periods I found that nothing was of any benefit to me until I used your 'Favorite Prescription.' It is a very remarkable preparation. Within a few weeks after I commenced taking it I felt better, my general health had greatly improved, I had but little pain and in a few months your medicine restored me to perfect health and made me regular. This was almost a year ago and I am now in fine health and have been ever since, thanks to Dr. Pierce's medicine.

MRS. KING.

"I am therefore very pleased to recommend your 'Favorite Prescription,' as I have found by personal experience that it is a woman's friend."

Function Revived.

"I was a great sufferer for six years and doctored all the time with a number of different physicians but did not receive any benefit," writes Mrs Geo. Sogden, 641 Bonda St., Saginaw (South), Mich. "One day as I was reading a paper I saw your advertisement, and although I had given up all hope of ever getting better, thought I would write to you. When I re-

ceived your letter telling me what to do I commenced to take your medicine and follow your advice. I have taken ten bottles in all, also five vials of the 'Pleasant Pellets.' Am now regular, after having missed two years and suffered with pain in the head and back. I was so nervous, could not eat or sleep. Now I can thank you for my recovery."

Six Years of Suffering.

MRS. HOLT.

"Six years ago I little expected I should ever enjoy life, much less such perfect health as Dr. Pierce's Favorite Prescription has brought to me," writes Mrs. Mary Holt (Vice-President West End Mother's Club), of 185 W. 88th St., New York City. "Suffered from prolapsus and endured agonies, which can be little understood until really experienced. Life seemed one long endless suffering, and my home work a drag and a burden. Your 'Favorite Prescription' was brought to my notice through an advertisement, and nine bottles made life new and full of beauty to me. Words can but poorly express my gratitude, but gladly do I give you this testimonial, although it is sent unasked, hoping that it may reach the eyes of some other suffering mother."

Professional Advice.

MRS. BEARD.

Mrs. Mary J. Beard (Trained Nurse, Washington Hospital), of 1706 9th St., N. W., Washington, D. C., writes: "I am satisfied that thousands of women suffer with the troubles peculiar to our sex because they do not realize how much they really need treatment and feel a natural delicacy in consulting a physician.

"I felt badly for years, had terrible pains at times and was often unable to be about attending to my duties: appetite was poor and sleep fitful. Tried to cure myself in various ways but without success, but finally my attention was called to Doctor Pierce's Favorite Prescription and I decided to try it. Am certainly glad that I did for I began to improve with the first bottle and gradually became better until I was entirely cured of the old trouble. Am well and can enjoy life once more."

Happy and Well.

"I suffered for six years with what the doctors called salpingitis, an inflammation of the Fallopian tubes which is a most distressing and painful ailment, affecting all the surrounding parts, undermining the constitution and sapping the life forces," writes Louise Cartledge, Pres't, Woman's South Side Relief Association, 553 White Hall Street, Atlanta, Ga. "If you had seen me a year ago when I began taking your 'Favorite Prescription,' and had noticed the sunken, dull eyes, sallow complexion and general emaciated appearance, and compared that person with me to-day, robust, hearty, happy and well, you would not wonder that I feel thankful to you and your wonderful medicine which restored me to life and health in five months. My friends all marvel at the change it has made in me, but none can appreciate it as I can myself."

LOUISE CARTLEDGE.

Perfect Health and Strength.

"I firmly believe that there is not a medicine on the market to-day besides Dr. Pierce's Favorite Prescription, which will do so much for a woman who is broken down in health and strength from the various causes from which we suffer," writes Mrs. E. T. Phillips, President, Der Wilhelmine Club, 472 John Street, Appleton, Wis. "I have tried many remedies at different times, but am free to admit that 'Favorite Prescription' seems to be away above any thing I ever tried. I began using it about three years ago, for weakness and womb trouble, and in about six weeks was restored to perfect health and strength. I now keep a bottle in the house and use a dose occasionally to brace me up when I feel tired, and I certainly do not need any other medicine to keep me well."

MRS. PHILLIPS.

Suffered Eight Years.

"I suffered with female weakness about eight years—tried several doctors but derived no benefit until I began using Dr. Pierce's Favorite Prescription," writes Mrs. John Green,

of Danville, Boyle Co., Ky. "This medicine was recommended to me by other patients. I have taken six bottles and I feel like another person."

Tried Different Remedies.

"I have used Dr. Pierce's Favorite Prescription with success, and am so pleased with the results that I am glad to write and tell you about it," writes Mrs. Ida Knape, President Daughters of American Liberty, 31 East 3d Street, Cincinnati, Ohio. "For several years I suffered from ovarian trouble and a painful inflamed condition which kept me in bed part of the time. Tried different remedies hoping to get better, but nothing seemed to bring relief, until one day a friend called on me who had been cured of ovarian trouble through the use of Dr. Pierce's Favorite Prescription, and strongly advocated my using it. As she thought so well of it I decided to try it, and did so for two months, at the end of which time I was very grateful and pleased to find that I was once more a well and sound woman. Perfect health is a great blessing, and any woman who has a trouble similar to that from which I suffered will do well to take Dr. Pierce's Favorite Prescription."

MRS. KNAPE.

Suffered Untold Agony.

"I suffered for many long years with ovarian trouble also falling of womb, before your medicine 'Favorite Prescription' was brought to my notice," writes Mrs. Thos. Harrison, Secretary, Schillerbund, 564½ South Pierce Street, Milwaukee, Wis. "A friend of mine recommended it, and I am only too pleased to give this testimonial, as it may reach the notice of some one who suffers as I did. For five years I did not know what a well day meant, and about half of that time was spent in bed. I suffered untold agony, but now that is all a thing of the past, for the consistent use of Dr. Pierce's Favorite Prescription brought me all right in about four months, strengthened my entire system—in fact it made a new woman of me. I have not known what pain was for nearly a year."

Invalids' Hotel and Surgical Institute

663 MAIN STREET, BUFFALO, N. Y.

WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors.

Organized with a Full Staff of Physicians and Surgeons

FOR THE TREATMENT OF

ALL CHRONIC DISEASES.

We have not the space to speak, individually, of the large number of professional gentlemen composing the Faculty of this old and world-famed Institution, but will say that among them are those whose long connection with the Invalids' Hotel and Surgical Institute has rendered them *experts* in their several specialties.

Advantages of Specialties.

By thorough organization and subdividing the practice of medicine and surgery in our Institutions, every invalid is treated by a specialist—one who devotes his undivided attention to the particular class of diseases to which the case belongs. The advantage of this arrangement must be obvious.

Not Necessary to See Patients.

By our system of diagnosis, we can treat many chronic diseases as successfully without as with a personal consultation.

Diseases of Women.

So alarmingly prevalent are those chronic diseases peculiar to women, and so famous have our Institutions become for their cure, that we were long ago obliged to create a Special Department, now thoroughly organized, and devoted *exclusively* to the treatment of these cases. The physicians and surgeons in this Department have made these delicate diseases their sole study.

Many are brought to our Institutions from distant States on beds, and go home in a few weeks well and strong. Quite as marvelous are the thousands of cures annually accomplished through correspondence, while the patients remain at home among their friends. Others come and consult us personally, are examined, prescribed for, and allowed to return home to carry out the treatment. Every case consulting our specialists, whether by letter or in person, is given the most careful and considerate attention. Not the slightest symptom or peculiarity of constitution escapes our specialists' attention and *deliberate* consideration. Every important case (and we get few which have not already baffled the skill of the home physicians), has the benefit of skilled specialists.

A Boon to Women.

By our new and improved method of treatment, with Electrolysis and other means of our discovery and invention, many **Fibroid** and **Fibro-Cystic Tumors** of the **Uterus,** and **Ovarian Tumors** are readily reduced, and permanently cured, without pain, shock, or risk. These tumors are generally regarded as incurable by the profession, except when removed with the knife.

Ovarian Tumors.

This Treatise cites numerous bad cases of both Fibro-Cystic and Ovarian Tumors which have been cured by our specialists without resort to the knife. Our surgeons only operate for the removal of Ovarian Tumors in exceptional cases, that is, when the tumor is very large, is interfering seriously with the health, and when its attachments are not so extensive as to preclude the possibility of successful removal with the knife. Yet, their practice annually requires them to remove many Ovarian Tumors, not favorable for reduction and cure by electrolysis. They have thereby acquired a national fame for the extraordinary success of their ovariotomy operations.

BARRENNESS, or STERILITY, is generally due to causes which can be easily removed, yet are not understood by physicians, who often treat lightly a subject fraught with so much importance to humanity. Our specialists have devoted to this subject careful study. By their skill, stricture of the neck of the uterus, and other **impediments to the bearing of offspring,** have been easily and painlessly overcome, and hundreds of homes thereby made happy.

For a full treatise on Diseases of Women, see "The People's Common Sense Medical Adviser," notice of which appears on page 32 of this little booklet. It is now free to all. All letters of inquiry, or of consultation, should be addressed to

THE BASIS OF LIFE.

The Stomach the Vital Center.

Life is sustained by food. But it is not what we eat but what we digest and assimilate which sustains the life of the body. The stomach therefore (with its associated organs of digestion and nutrition) is the vital center of the body. The body is nourished and strengthened only in proportion to the ability of the stomach to prepare and assimilate the blood-making and body-building material contained in food.

It follows then that **no man can be stronger than his stomach**; that the health of the stomach determines in great measure the health of the whole body in all its organs.

There never was a strong man with a weak stomach. How could there be? For strength is made from food properly digested and perfectly assimilated, and it is the very first mark of a "weak" stomach that the digestion fails.

FACTS ABOUT FOOD.—Food is in itself a complex element supplying the complex requirements of the body. Food must have salts and iron for the blood, lime for the bones, phosphates for the nerves and brain.

And these several elements must be separated, selected and distributed to the several organs by the digestive and nutritive processes.

It often happens that there is a failure to select and assimilate some one element—such as the phosphates—required in sufficient quantity to feed the nerves and brain. Pain is the hunger cry of the nerves, and the misery known as "nervousness" or the torment of neuralgia, points to nerve hunger. The stomach and its allied organs are not extracting the nerve nutriment from the food. The natural tendency is to fly to "nerve tonics," "nervines" and other so-called "nerve foods." These are in general nothing but opiates or anodynes of some sort. They only *numb* the nerves. They cannot nourish them. Only *food* can nourish and **opiates are not foods but poisons.**

These well known pathological facts lead to a certain, inevitable conclusion.

Diseases which seem to be in heart or lungs, blood or liver, brain or nerves or in any other organ, are often the product of a diseased condition of the stomach and other organs of digestion and nutrition.

It will be useless to treat heart, brain, lungs, nerves, liver, kidneys or any other organ while the diseased condition of the stomach remains unchanged.

Diseases which have their origin in the stomach must be cured through the stomach.

A RATIONAL REMEDY.—These facts perfectly explain the wide range of cures of lungs, liver, heart, head, kidneys, and other organs which have been effected by the use of Dr. Pierce's Golden Medical Discovery. Primarily it is a medicine for the stomach and organs of digestion and nutri-

tion. **It heals many forms of disease** only because many forms of disease have their beginning in a diseased condition of the stomach. It heals diseases remote from the stomach because it cures **through the stomach** diseases which have their origin **in the stomach.**

That is the entire philosophy of the many and wonderful cures effected by the agency of "Golden Medical Discovery." The fact that these cures are perfect and permanent, rests upon the testimony of men and women, who, in their own neighborhood among those who best know them, are recognized as "pillars of the church" and "the salt of society."

CONSUMPTION CURES.—All serious sickness is attended with the wasting of the body, and this with lack of appetite and assimilative power.

Consumption, for example, is a wasting disease. Its course is marked by emaciation. The common treatment of consumption is by food fats.

But this treatment fails to recognize the fact that all food must be digested; that you can't digest and assimilate any kind of food if the stomach is broken down and these oils being foods cannot be digested and assimilated by the weak stomach. The oils are fed in an attempt to bring the character of the food down to the level of a weak stomach. Dr. Pierce's theory is that *you must bring the weak stomach up to the level of strong food.* That is the only way in which the stomach can furnish the blood supply for the body, adequate in its quantity and in its vital elements to the needs of the whole body and all its parts.

This is the work perfectly performed by Dr. Pierce's Golden Medical Discovery. It acts upon the weak stomach so that it regains strength. With that regained strength comes an increased activity of the blood-making glands, which are stimulated to new effort by the "Discovery." The appetite increases until it equals the normal food demand of the body. The food which satisfies the appetite is wholly digested and perfectly assimilated. The blood made from this food is abundant in quantity as the food is abundant in supply, and rich in quality because all the nutritive properties of the food are extracted and assimilated, and are distributed by the blood, to each organ and member according to its needs.

THE SYMPTOMS of disease of the nutritive system and its resultant and kindred affections may differ according to the circumstances, temperament, age, or constitutional weakness of the individual and the complications of the disease and its stage of advancement. Not unfrequently the complexion becomes pale and sallow, there may be frequent attacks of bilious or sick headache, bitter taste in the mouth, tongue coated white or covered with a brown fur, unnatural, dry, harsh, or scaly condition of the skin, or branny eruptions, pimples, dark blotches, and troublesome itching. There are likely to be "backache" and tired feelings, lassitude and a sense of debility. There are depression of spirits and a decided tendency to be discouraged and despondent. There is loss or irregularity of appetite, uneasiness in region of the stomach, oppression, sometimes sour stomach, "heart-burn," nausea and "water-brash," flatulency, and acrid eructations; the bowels become irregular, usually constipated, and occasion-

ally subject to diarrhea, attended with colicky pains. The foregoing symptoms are not all present in any one case, nor are any two cases alike in every respect.

LIVER DISEASE.—The liver is the great filtering apparatus of the alimentative system. It filters the poison-loaded bile out of the blood and discharges part of it from the body.

When the liver lacks active capacity to do this work, then the bile passes through into the general circulation and begins its poisonous work. Through the circulation of the blood it is disseminated throughout the body, gradually sapping the strength, clouding the brain, weighing down the energies, weakening the heart's action, infecting and undermining the tissues. Eventually the poison begins to accumulate at the skin, the kidneys, the bronchial tubes, or the lungs, until at last it settles and fastens itself at some point, which location may be far away from the liver; yet it is stagnation or congestion of the liver which is the immediate cause of the whole trouble. Back of that, the originating cause is in the whole nutritive system; for the liver itself gets its nourishment directly from the blood.

The only way to help a disordered liver is to treat it as it is: —the great, organic, human filter. The "Golden Medical Discovery" *cleanses and clears it;* invigorates and revitalizes this most important organ by its wonderful alterative power. It restores its normal, active capability, and supplies it with pure, healthy blood, rich in the elements of vitality.

BLOOD AND SKIN DISEASES.—In all the more acute blood and skin diseases the "Golden Medical Discovery" is the most active and radical remedial agent ever devised. It promptly neutralizes the poisonous principle in the blood; off-sets the destructive action by rapidly manufacturing an abundance of healthy red blood-corpuscles, and imparts to the great vital current of life those elements of pure nutrition before which morbid germs and disease microbes cannot live.

Scrofulous diseases, enlarged glands, tumors and swellings, catarrh, pimples, blotches, eruptions, rashes, salt-rheum, eczema, ulcers, skin troubles of every name and nature, and particularly those infectious blood diseases of the most dangerous type are met and completely overcome by the regular and persistent use of this marvelous Alterative Extract.

WILL IT CURE CONSUMPTION?—Many people ask: "Will the 'Golden Medical Discovery' cure consumption?" There is just one answer: "Golden Medical Discovery" will cure the *causes* of consumption. It will cure the troubles which *lead on* to consumption. It will supply the lungs with good blood. It will furnish Nature with the materials for building fresh and healthy lung-tissue.

BRONCHITIS AND WASTING COUGHS.—We know that the "Discovery" is the most efficacious remedy ever devised for severe throat and laryngeal and bronchial affections, chronic and lingering coughs, bleeding lungs, and those obstinate, wasting, debilitating, "run-down" conditions which if neglected or improperly treated lead on to consumption.

NERVOUS DISEASES.—The nervous organism is the electrical system of the body.

The "Golden Medical Discovery" by its wonderful regener-

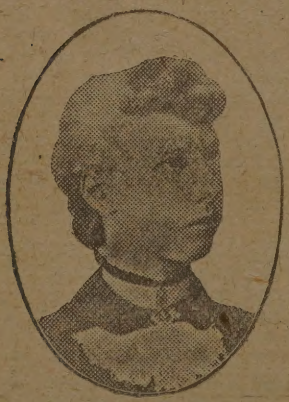
ating effect upon the sources whence nerve-power is derived, creates an abundance of that active elemental energy; the essential principle of power, which restores healthy nerve-fiber, dispels headache, pains, irritability, and that sense of mental depression and melancholia which is one of the conspicuous features of a disordered nervous organism. It brings back comfort, cheerfulness, vivacity and mental poise.

CONTAINS NO ALCOHOL.—The "Golden Medical Discovery" contains neither alcohol, whisky, syrup, nor sugar.

DO NOT BE DECEIVED.—It is an insult to your intelligence for a dealer to attempt to palm off upon you a *substitute* for this world-famed medicine, and purchasers should turn their backs on any dealer who offers them such treatment.

Rescued Just in Time.

"In the year 1896 I was taken sick and suffered from indigestion," writes Mrs. Ailie Bundy, of Denver, Bremer Co., Ia. "Our family doctor said I had worked too hard and been indoors too much. Was in quite a bad condition; had indigestion, constipation, liver complaint; in fact, was all broken down. Can hardly describe my feelings. My head had a queer feeling and hurt me badly for about three hours after eating, had bloating of stomach and bowels, with a great deal of gas. Heart was also affected; I had some very bad spells and thought I had heart disease, also had such a cough people said I had consumption. I doctored for two years with our best physician. Would get better, and worse again, until I was quite discouraged. My sister had taken Dr. Pierce's Golden Medical Discovery, and they thought it might help me. I wrote to Dr. Pierce, stating my case and asking his advice. He wrote me what medicine to take. Finally, my brother-in-law got me a bottle of the 'Discovery,' and I commenced taking it. Felt quite a little worse the first bottle, but got another, and also a vial of Dr. Pierce's Pellets. Took the 'Golden Medical Discovery' for one year, and three bottles of 'Favorite Prescription,' also three vials of 'Pleasant Pellets.' I was so much better at the end of the year that I stopped taking the medicine. I got better slowly, but there was no going back. It was a sure gain from the beginning. I had to diet at first—now I can eat heartily and almost anything I want. The result is, I am in better health than I have been for years. I am married now, and can do my own work. I will truly say I can praise Dr. Pierce's medicines with a very thankful heart; his letters were kind and contained good advice, and his medicines brought health and happiness."



MRS. BUNDY.

Chronic Scrofula.

MRS. HOOD

"I feel greatly thankful for what your medicine has done for me," writes Mrs. Chas. Hood, of Kalkaska, Mich. "I suffered with scrofula of the head for twelve years. Tried every kind of medicine that I heard of but found no cure. Every one that looked at my head said they never saw anything like it. Under the care of the last physician I doctored with before applying to you I got worse every day. Was so miserable that I was unable to do any work at all. After taking two or three bottles of your 'Golden Medical Discovery' and using the local treatment you prescribed for me, my head was free from scrofula."

Escaped a Surgical Operation.

"I was a sufferer from female weakness for more than twelve years," writes Mrs. Chas. Nimmo, of 81 Shady Ave., New Castle, Pa. "I doctored with many different doctors, but received only temporary relief. Was really growing worse all the time. At last, about a year ago, two different doctors said they could do no more for me; that if I was ever able I should go to the hospital and have ovaries and uterus removed. I never expected to get out of bed again, for I was too weak to help myself. Had given up all hope of ever being up again when some one gave me one of Dr. Pierce's little books. We wrote to him and received a kind reply, and I began taking his medicine in November, 1900. Inside of two weeks I was able to sit up a little each day, and in a month was able to walk out doors and do light work in the house. I took nine bottles of 'Favorite Prescription,' ten of 'Golden Medical Discovery' and five vials of Dr. Pierce's Pleasant Pellets, and I felt like a new woman. Am now able to do all my housework and sewing, and feel that I owe my present health and happiness to Dr. Pierce and his medicines. I wish I could tell every suffering woman about them, so that they might be relieved as I have been. Will be only too glad to answer any letters sent to me, with address and return stamp."

MRS. NIMMO.

Ovarian Trouble.

MRS. MAGRUDER.

"It affords me great pleasure to make known to the public the immense relief I obtained from the use of your 'Favorite Prescription' and 'Golden Medical Discovery,'" writes Mrs. Rosa Magruder, of Room 616 Bond Bldg., Washington, D. C. "After suffering for several years from ovarian trouble and nervous debility, and obtaining no relief from physicians, I tried your much recommended medicine, of which a few doses caused great relief, and two bottles of each medicine entirely cured me of trouble that had become chronic.

"Thanking you very much for your interest in my case, I remain, etc."

Sick and Over-worked—Now Cured. "Cannot Praise the Medicines Too Highly."

"Some time ago I was advised by a friend to try your medicines, 'Golden Medical Discovery' and 'Favorite Prescription,'" writes Miss E. B. Waghorne, of Victor, N. Y., Box 485. "Then I was suffering from indigestion and heart trouble; had a bad cold on lungs, and was completely run-down with over-work and the care of eight in our family, who were all sick that winter with typhoid fever. After a while I decided to try your medicine for myself, and began taking Dr. Pierce's Golden Medical Discovery and 'Favorite Prescription,' three doses of each, alternately, every day. I had not used one bottle of each before I began to improve and to feel much better in every way. I also took three vials of 'Pleasant Pellets.' When I had taken in all six bottles of Dr. Pierce's Golden Medical Discovery and six of 'Favorite Prescription,' I felt like a new person. One year ago last April I discontinued their use, and I feel that I cannot praise your medicines too highly. I do thank God and Dr. Pierce for these great medicines and their wonderful curative powers, and I thank Dr. Pierce for his very kind attention and advice, as well as his fatherly letters to me. I will gladly answer all letters of inquiry if stamps are enclosed for reply."

MISS WAGHORNE.

MRS. PLUSH.

"Please accept my thanks for the good your 'Golden Medical Discovery' and 'Favorite Prescription' have done for me," writes Mrs. Sadie Plush, of Penalosa, Kans. "I had been troubled for four years with cramps in stomach, and nervousnesss. My home doctor failed to benefit me, so my friends advised me to try Dr. Pierce's medicines. I wrote to the World's Dispensary Medical Association; they soon gave me an answer and advised me what to do. I followed their advice and soon found relief by the use of Dr. Pierce's Golden Medical Discovery and 'Favorite Prescription.' I used six bottles of the 'Favorite Prescription' and two of 'Golden Medical Discovery,' and now feel like a new person."

DR. PIERCE'S SALVE
ALL-HEALING

Is cleansing and pain relieving. It destroys the bad odors arising from suppurating, or running, sores and puts them in the best possible condition for healing.

The "All-Healing Salve" is a superior dressing for all open, running, or suppurating, sores or ulcers, also for boils, felons, and all painful swellings. For healing open wounds, cuts and scratches it is unsurpassed.

In treating all open sores, or ulcers, boils, carbuncles and other swellings, it is important that Dr. Pierce's Golden Medical Discovery be taken persistently to purify the blood and thereby remove the cause of the trouble. It is in the blood that the great battle of health has to be fought. The ulcer and the sore are simply the scarlet flowers of disease, with roots running down into the blood. These roots must be eradicated or the disease will break out afresh. "Golden Medical Discovery" cleanses the blood of all foul and poisonous accumulations, pushes out the dead and waste matter, and thus purifies the entire life current. Disease in the flesh must die out when it is no longer fed by foul blood. "Golden Medical Discovery" effectively cures disease in the flesh by curing its cause in the blood.

If your medicine dealer does not have the "All-Healing Salve" in stock, mail 50 cents in one-cent stamps to the undersigned and we will send you a box, post-paid

Throat and Lung Trouble.

"I feel that I want the whole world to know what Dr. Pierce's medicines have done for me," writes Mrs. Helen Hardgrove, of Bangs, Knox Co., Ohio. "I had many of the ills of woman's life. My lungs and throat troubled me besides, and I had rheumatism. About a year ago I had to give up work, I was so bad. I did not know what to do. I had heard so much about your medicine, I thought I would try it. I took four bottles of your 'Golden Medical Discovery' and 'Pellets.' I think I took six or seven bottles of the 'Pellets,' and by the time I had taken half of the first bottle, I began to gain, and kept on getting better. And now I have no more of my old ailments, and am entirely cured of the rheumatism. I keep the 'Pellets' on hand, as there is no other medicine so good to break up a bad cold. I feel like a new woman."
